SUMAYYA BELAL

Frontend Developer

Azamgarh, Uttar Pradesh, India | sumayyabelal7@gmail.com | linkedin.com/in/sumayyabel7

github.com/7pixiee | 7pixiee.github.io/Portfolio/

PROFILE

Creative Developer and final-year BCA student building responsive, interactive web experiences that combine thoughtful UI design with JavaScript and React. Hands-on experience creating deployed personal and hackathon projects using HTML, CSS, JavaScript, React, Tailwind CSS, REST API integration, and Figma. Seeking internship or junior frontend opportunities in India or remote teams.

SKILLS

Languages: JavaScript, Python, HTML, CSS, SQL

Frontend: React, Tailwind CSS, Responsive Web Design

UI & Design: Figma, UI Design, Interactive UI Development

Tools & Deployment: Git, GitHub, VS Code, Netlify, GitHub Pages

Web & Data: REST API Integration, Local Storage, MySQL (academic coursework)

PROJECTS

QuietPaws | Team Hackathon Project | HTML, CSS, JavaScript | github.com/7pixiee/QuietPaws

- Contributed UI/frontend development and design implementation for a playful mental-wellness experience with mindful timers, rewards, streaks, and a collectible house.
- Collaborated on a deployed project with an API-backed architecture; repository documents user authentication, session tracking, and persistent progress.

Personal Portfolio | React, Tailwind CSS, Vite | 7pixiee.github.io/Portfolio/

- Designed and deployed a responsive portfolio that presents creative-development services and selected interactive projects.

NyxFlix Movie Search App | HTML, CSS, JavaScript, REST API | github.com/7pixiee/movie-search-app

- Built a movie-discovery interface for searching titles, exploring genres, and saving favourite movies through API-backed functionality.

Calculator | HTML, CSS, JavaScript | 7pixiee.github.io/Calculator

- Built a responsive calculator with chained operations, operator replacement, deletion/reset controls, error handling, and JavaScript state management without eval().

EDUCATION

Bachelor of Computer Applications (BCA) | Shibli National Girls College, Azamgarh, Uttar Pradesh, India
Final Year, 5th Semester | Expected 2027 | CGPA: 7.0

HACKATHON EXPERIENCE

Frontend Developer | Project Code Hijabi Hackathon 2026 | CS Girlies Hackathon 2026

- Contributed frontend development and design implementation for QuietPaws; certificate available.
